To Whom it May Concern,

I am pleased to recommend William Cruz for the position of ASL interpreter. I have had the privilege of working with him for over three years in Darlington County School District where he consistently demonstrated exceptional skills and professionalism.

Mr. Cruz possesses a deep understanding of American Sign Language and can sign for students with both English and Spanish as their native languages. He has an innate ability to develop a rapport with students, and he quickly aligns his interpreter services to their needs. Additionally, Mr. Cruz works very well with other staff members and provides guidance and support that enables schools to transition easily to virtual ASL interpreting for students.

Mr. Cruz demonstrates a strong work ethic and professionalism. He is always prepared, communicates effectively with all stakeholders, and maintains confidentiality and sensitivity to the needs of individuals who are Deaf or Hard of Hearing.

I wholeheartedly endorse Mr. Cruz for any opportunity as an ASL interpreter. His dedication, skill, and compassion make him a standout professional in this field. I am confident that he will exceed your expectations and contribute positively to your team.
