To whom it may concern,

I am writing to wholeheartedly recommend William Cruz for any opportunities or positions that may benefit from his extensive experience as an ASL interpreter. With over 25 years of interpreting experience and five years with Somar Interpreting, William has consistently demonstrated exceptional professionalism and expertise, particularly in educational settings.

Since joining our agency in 2019, William has played a vital role in facilitating communication for K-12 students across various subjects and skill levels. His ability to adapt his interpreting style to meet the diverse needs of students—whether in a science lab, literature class, or during physical education—has made a significant impact on their learning experiences. He not only conveys language effectively but also ensures that the essence of the content is preserved, allowing students to engage fully in their education.

William possesses a deep understanding of the educational environment, which enhances his capability to interpret complex concepts in a way that is accessible and relatable for students. His professionalism is evident in every aspect of his work, from punctuality and preparedness to his respectful demeanor and collaboration with teachers and staff. He creates a supportive and inclusive atmosphere, fostering confidence in students as they participate in classroom discussions and activities.

Moreover, William's commitment to ongoing professional development ensures that he stays updated with the latest interpreting techniques and best practices. This dedication further enhances the quality of interpretation he provides, making him a valuable asset to our agency and the schools we serve.

I am confident that William will excel in any role he takes on, bringing his wealth of knowledge, experience, and passion for interpreting to new challenges. Please feel free to contact me if you require any further information or insights into his exceptional work.

Sincerely,

Denise Ramos
